What was it like to work with Emil?

1. Emil attaches a deep rooted professionalism to everything he does. Working with him is structured, organised and efficient. Yet he always maintains an atmosphere of friendliness and humour with his peers. Emil strives for the best in his work, and it shows.
2. Enjoyed working with Emil as he is professional and goal-oriented. Makes a great teamplayer as he combines both the groups interest and his own. Great competence!

3. Working with Emil was really pleasant. i felt like he was like a safety person to go to with Questions and problems. He would always have a good solution and I knew I could trust him. ;)
4. Having Emil in my group was like having a peace of mind. I didn't need to worry about making sure he did his part or having to guide him every step of the way. Emil is extremely focused on his tasks at hand and diligently working towards the goal. Overall when working with Emil, you know the project in hand will have great potential!
5. With an amazing eye for detail, and the organisation skills of a calendar, with Emil you have the whole package! - Precision, structure, and analytical thinking, thats what you get when you work with Emil
6. Emil was one of the best leaders I had the opportunity to work with. He consistently led the team effectively, made timely decisions, and remained focused on meeting the client's needs. He never forgot to add a nice joke to lighten up the atmosphere and make the team face the challenges with enthusiasm.
